3. **Lesson Times:** Once scheduled, the student's allotted lesson time is reserved specifically for them, and I, as the instructor, shall respect that time and be ready to teach each week at the appointed time. In return the student is expected to respect my time as well and show up on time and ready for lessons. If a student is late, lessons will not be able to run over into another students time slot. I shall do my best to fit our lesson into the time remaining for that lesson.
4. **Missed lessons and make up lessons.** There are no credits issued for missed lessons. Possible make up lessons for missed lessons will only be offered for extreme illnesses or injury and are dependent upon space in which to schedule them. As with missing school and other extracurricular activities, if you choose to miss lessons due to scheduling conflicts, forgetfulness, common sicknesses, or acts of God no make-up lessons will be given.  
  
If I, as the teacher, need to miss a lesson, a make-up lesson will of course be given or the fees will be adjusted down accordingly.
5. **Lesson Termination.** If needed, a student may permanently cancel their lessons, but must give one month paid notice. The student may attend the lessons during this period.
6. **Health Concerns.** The student or guardian will notify Ryan Faas of any health or behaviour concerns that he may need to know in case of emergency.
